11 Plaintiff,

12 v.

13 CARLOS LUNA,

14 Defendant.  
15 \_\_\_\_\_

) No. C 07-3048 MJJ (PR)

) **ORDER OF DISMISSAL**

16 On June 29, 2007, this action was opened after being transferred from the Central  
17 District of California. The action was opened in the Central District when that court received  
18 a letter from plaintiff to a judge in this district. As the letter concerned prison conditions, the  
19 Clerk of the Central District construed and filed it as a civil rights complaint pursuant to 42  
20 U.S.C. § 1983. On the day this action was opened in this court, June 29, 2007, the Clerk  
21 notified plaintiff in writing that the action was deficient due to the failure to pay the requisite  
22 filing fee or, instead, submit a completed court-approved in forma pauperis ("IFP")  
23 application, including a trust account statement showing balances for the last six months and  
24 a certificate of trust account funds signed by a prison official. Along with this notice,  
25 plaintiff was sent a copy of the Court's IFP application, instructions for completing it, and a  
26 return envelope. Plaintiff was informed that his failure, within thirty days, either to pay the  
27 filing fee or to file a completed IFP application, including the signed certificate of funds and

1 the required trust account statement, would result in dismissal of this action without  
2 prejudice. On July 20, 2007, the court received a letter from plaintiff concerning jail  
3 conditions and other matters, but not addressing his failure to pay the filing fee or an IFP  
4 application. No response from plaintiff to the deficiency notice has been received.

5 As more than thirty days have passed and plaintiff has not filed a completed IFP  
6 application or paid the filing fee, this action is DISMISSED without prejudice.

7 The Clerk shall close the file.

8 IT IS SO ORDERED.
